Educators' Extra Credit Discount Program

We want you to join the more than 130 local merchants who offer "Extra Credit" to our teachers and staff! This program was started in 1990 by the Chapel Hill-Carrboro Public School Foundation to offer the teachers and staff in our local school district some "extra credit" for the excellent job they do. Businesses may offer discounts on their merchandise or services, discounts on specific items or free items. We ask that the discount offer be extended for at least one school year. Teachers and staff will receive a welcome back letter at the beginning of the school year with an Educators' Extra Credit Card and a list of all participating merchants. This list is also posted free of charge on the district employee website and on the Public School Foundation website: www.publicschoolfoundation.org

Merchants joining the program should:

1. Determine the specific discount they want to offer to the 2,000 teachers and staff of the district.
2. Complete the form below or sign up online at the Public School Foundation website: www.publicschoolfoundation.org. The online form is in the drop down menu under Teachers & Staff.
3. Respond as soon as possible to be included in the listing for the coming school year.

Please feel free to contact the Foundation if you have any questions.
